

DE LA RECHERCHE À L'INDUSTRIE

IDEAAL WP 2 TASK 2

www.cea.fr

Annabelle Rondaud, CEA/DRF/DCEPI
7/11/2017

Context : Ganil/Spiral2, facilities dedicated to physics that require fundings for investment, operations and upgrades (beyond its endowment)

Objective : explore the possibilities for private foundations and/or individuals to sponsor GANIL

Potential actions : communication, lobbying, branding, sponsors, etc.

Budget Task 2 : 206k€

Method

To be supported by experts/consultant specialised in fundraising

Expected deliverables from the agency :

- Messages dedicated to private foundations (social challenges)//meetings with Ganil, Irfu, IN2P3, etc. to identify key messages...
- Identification of private foundations, fundraisers...
- Identification of the approach, of the different steps : how to do, how to reach fundraisers?
- Legal aspect, define the ability of Ganil to receive private funds

M0 to M12

Write a specification
and select an
